

Gunslingers

An epic at the heart of the Third War against the Kurgans, in 5025 AD.

Chapter I - Dead Man Walking

Everything starts with **Durman Gropf*** hiring guys for a special mission. It's 5025 now, and the War against the Kurgans as turned to some kind of status quo.
The business is simple: recover a young Hawkwood noble that fled from the Black Lion fiefs to the Outer Rings. The reward is astonishing: 50000£, but the bounty must be taken alive.
The noble is Aisha Hawkwood, not a boy but a girl, and daughter of Emperor Alexius Primus and Salandra Hawkwood.
