Narrative	
Young soldier of the Royal House Decados, originating from the Malignatus System. He has spent most of his childhood working in the cane fields of Sbrimov Province, a backyard region where Decados serfs are treated like slaves. He should have died young from starving due to the oppressive rulership of Graf Azim Varnovicz Decados (Graf means Count for the Decados, old ruski/romanovish dialect). Has a valid man, he was recruited by the militia to serve in the Decados Navy just after the death of Graf Varnovicz (5008 AD), thanks to the change of leadership. He has since climbed the ladder on his own, believing in the fair rulership of the Graf Widow, young Graffina Saskia Varnovicz of House Decados. He has since won many battle and his proud to fight in her army.
