Narrative

AKA Graffina Varnovicz. After succefully representing House Decados in the Salt Province on Rampart, she has been sent by Prince Hiram Decados to the Istakhr System, Fief of House Al-Malik. There she actually supports the efforts of the Emperor supporter of the Terradom to uncover agents from the Tallamud and other Kurgan threats.

Storytelling Notes

Current leader and representative of House Decados in the Salt Province. A major asset for Duke Hiram Decados, who considers Saskia as the next Salandra Decados... forgetting sometimes that the last one is still in the action. She is a central character in the Epic and cannot be killed.
