I - JUMP GATE MEETING

For whatever reason (TBD), both parties meet nightside of the jumpgate at Madoc. Not very far, but enough (2AU) to have business in there without fear of scrutation.

1.1 CAMPAIGNS CROSSOVER

Obviously, there are many reasons that would bring the players together.

There will be an opportunity to stort everyhting out with two reeves present at Galicia station that will be willing (with a few financial retribution). Each of them will hold representation of both House Li Halan and the Clockwork Guild.

1.1.1 Talamund

The tarentula has been ruthlessly attacked by a talamund force just exiting the jumpgate. Six of the twelve attacking ships have been destroyed by the Tarentula, but at an huge price: a fatal blow to the main deck took the life of **Shamij Al-Jabra*** and three other people.

1.2.1 Clockwork news

Galicia Station is the Imperial Relay, so it will be easy from here to cast and receive messages off system. The current Imperial Courier officer is **Barnab Klossom***. This old captain is working independently

of the the station activity. He has no real authority, but enjoy the benefits of diplomatical immunity.

1.2.2 The End of the Search

On Midian, **Augustus Zhu Li Halan*** has send a message asking to all forces to stop their search effort. He now considers that the chances to find the foes is too small and that if some of the ships desire to continue their search, they will have to do it by their own means. He will only be able to send them a letter of Marque indicating that all Li Halan Forces will have to facilitate their mission.

Among all ships that started the search, more than three dozens, only 6 will remain on duty, waiting for their letter of Marque:

- Lady Eshib Al-Malik
- Lady Liença Ostrovicz Decados & Lieutenant-Colonel Shu
- Sir Hatoro Li Halan & Captain Takami
- Sir Lee Bai Kirin Li Halan
- Sir Sedrick Buckingham Hawwood
- Sir Roderick Tramel Justinian
